

## A large-scale show of UAL talent taking place in Freshers week on 23-27th September 2013.

Around 45 artists (UAL students, staff members, tutors and alumni) will show recent work at **Chelsea College of Art and Design** (Building D), in a showcase that presents a unique opportunity for collaboration, networking and conversation between both the artists and designers and the visitors to the show.

The event will culminate in an exciting **Private View on Friday 27th September from 5:00 – 8:00 pm**. The evening offers live performances, workshops and the chance to play a part in an extraordinary show. The Chelsea Frame bar will be open all evening with student-friendly prices!
